

In talking with many LifeLinks leaders it's clear the last two years have been very draining and wearisome. So much energy was spent trying to adjust to ever-changing COVID conditions that affected how we could gather, restricted the overall operation of our churches, and put a strain on many relationships. In a nutshell, it has left many spiritually and emotionally depleted.

With this in mind, our apostolic team believes our International Conference in October is a great opportunity for all of us to join together in Winnipeg so the Holy Spirit can "ignite" us with a renewed sense of His passion, power and presence. It will be a great time of impartation as we: worship the Lord together, listen to anointed and inspiring speakers (including our good friends Paul and Priscilla Reid from Belfast, Northern Ireland), participate in some excellent equipping workshops, and pray for and minister to each other.

I believe it's going to be epic and a time when God truly "ignites" all of us again – imparting a new passion and filling us afresh with His power as we spend time together in His presence.

I hope you can join us this October in Winnipeg!

## WHY COME?

**The LifeLinks International Conference** in Winnipeg, Manitoba is a significant event for our church network. Each year hundreds of attendees from LifeLinks churches in Canada, the United States, Europe, Asia, and Africa come away strengthened in their relationships with other leaders and renewed in energy and vision for ministry!

Our 2022 conference is a great opportunity for leaders, from all areas of our church ministries, to gather in Winnipeg and be re-ignited by the Holy Spirit's presence so we have greater passion and power to continue "Building Churches that Advance the Kingdom!".

## WHAT IS LIFELINKS?

**LifeLinks** is a relationally-based worldwide family of churches that focuses on the essentials of Christianity rather than areas of controversy. We believe that a healthy relational foundation allows people from varying doctrinal backgrounds to excel together in "**Building Churches that Advance the Kingdom**". Churches within LifeLinks have a real sense of identification with one another. Strong regional, national, and international relationships are formed as congregations partner to plant new churches, serve together on short term missions teams, participate in ministry and youth training programs, and attend network conferences and camps.
