

As a network family focused on “Building Churches that Advance the Kingdom” it’s vital we’re leading from a heart that’s renewed and strengthened by the Holy Spirit.

In our busy world it’s too easy for our service for God to become just another task to be completed while our service to God takes the backseat. This imbalance causes fatigue, burnout, and leads many to stop ministering altogether - or even fall into sin and be disqualified (as is happening to so many these days).

And so, our LifeLinks team sensed the Lord leading us to have a conference helping us put our focus back on abiding in the Father’s great love - where we realize we’re known and loved by Him and can minister from a heart vibrant and refreshed by His presence.

This year we’ll be adding a prayer meeting main session on Wednesday morning so we can press in together to seek the Lord for our personal lives, ministries, and network. We look forward to rich times of worshipping together throughout the conference and altar ministry after our evening sessions.

We’ll also have impactful teaching and workshops to help equip and strengthen us as leaders.

We believe this will be another pivotal moment in the life of our LifeLinks network and I encourage you to join us in October.

We hope to see you in Winnipeg for “Known and Loved” - ‘Leading from a Renewed Heart’!

WHY COME?

The LifeLinks International Conference in Winnipeg, Manitoba is a significant event for our church network. Each year hundreds of attendees from LifeLinks churches in Canada, the United States, Europe, Asia, and Africa come away strengthened in their relationships with other leaders and renewed in energy and vision for ministry!

Our 2026 conference is a great opportunity for leaders from all areas of our church ministries to gather in Winnipeg to be renewed in heart so they can continue advancing the Kingdom and reaching our world with the gospel of Jesus Christ.

WHAT IS LIFELINKS?

LifeLinks is a relationally-based worldwide family of churches that focuses on the essentials of Christianity rather than areas of controversy. We believe that a healthy relational foundation allows people from varying doctrinal backgrounds to excel together in “Building Churches that Advance the Kingdom”. Churches within LifeLinks have a real sense of identification with one another. Strong regional, national, and international relationships are formed as congregations partner to plant new churches, serve together on short term missions teams, participate in ministry and youth training programs, and attend network conferences and camps.
